

MUSIC STAND SLIDE STOP

for: Manhasset
Music Stands

Manufactured &
distributed By:

**Tom's Design &
Engineering LLC.**

503-756-1084 e-mail:

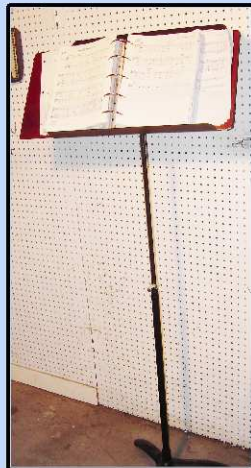

slidestop17@yahoo.com

Web Site: www.slidestop.net

Milwaukie, Oregon

1. You set your stand height where you want it.

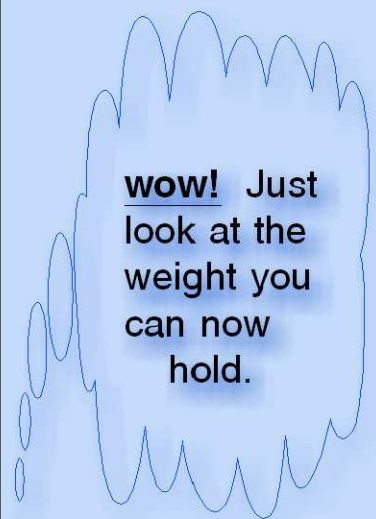

2. You add your music book to the Stand.

3. And then it happens. The stand slides **DOWN** and you can't read your music.

4. Then you decide to add **SLIDE STOP**. You reset the height and tighten the thumb screw knob to lock the slide tube and **PROBLEM SOLVED!**

wow! Just look at the weight you can now hold.

(Provisional Patent)
